**Norfolk Mobility Benefits becomes
MSH INTERNATIONAL**

Dear Valued Client,

We are pleased to inform you that Norfolk Mobility Benefits has become MSH INTERNATIONAL.

Only our name is changing. The management of your individual or corporate benefits plan will not be affected.

This new brand is part of the modernization and continuous improvement program which we will be presenting to you very soon.

With this in mind, we are preparing a communication and information plan for all our clients, as well as for our partners and health professionals. This plan will present the new MSH INTERNATIONAL brand, its new concept and the new updated information materials.

In the meantime our team is available to assist you with any day-to-day queries you may have.

Yours truly,

Rick Albert
